Play will be limited to the first 30 teams to sign up with dues and GHIN fees paid in full. Last year's teams and/or players will have first priority to sign up before April 10, 2018. After that date, if the field is not full, it will be open to new teams.

Dues are \$70.00 per player. If you have already paid for your handicap with another Avondale league then dues are \$34.00. Please print the sign-up sheet, complete it for your team and mail with all players' dues and GHIN applications for those needing their Avondale handicap yet. Green fees are \$28.00 if you are not a paid Avondale member and pass holder.

All players must have an established handicap. We are adhering firmly to this requirement. We require all golfers to play to an 18 hole handicap (green tees) of 42 or less (9 Hole Handicap of 21 or less). League players are required to have a handicap through Avondale. Each year you must renew your GHIN handicap. You need only one Avondale handicap to play in all of the leagues at Avondale. If you have a GHIN membership through another club you are still required to maintain your handicap at Avondale and pay the fee. You may be eligible for a partial refund from the Washington State Golf Association for having multiple club GHIN memberships.

GREEN TEES – Play will be from the green tee markers. Handicaps are adjusted to the green tees.

League night play is limited to 4 players per team. You may have additional players on your team but only 4 players may play on any given league night. All players are required to be paid team members (including any substitute players).

No make-up games. If your team does not play on Tuesday night, you forfeit points for play that night.

Shotgun start is at 5:30. DO NOT begin play early. If you are not at your starting hole at the shotgun you slow play for the entire field on your side of the course.
