**TAYLOR, AUSTIN, AND CHASE PERFORMANCE!**

A big congratulations to these guys for their performance in the recent Rosauers Tournament in Spokane! Just to make the cut in this tournament is impressive and they were all there to play on Sunday. This event attracts many great players in the area as well as past Tour players. We all know how hard Taylor and Austin work and the dedication that they give to Avondale, and to see one of our Junior Golfers succeed in this event is something that we can all be proud of as Avondale Members. Way to go guys!

LETTERS FROM OUR MEMBERS

Out of the entire IGA Northern District, 6 players earned exemptions to State Championships. Wyatt Williams with 317.5 points and Cole Jaworski with 180 points. 2 kids from Avondale out of the 6. Awesome.

Nadine and I are really proud of your two golf professionals on how they have developed the junior golf program these past few years. Without these two young men having so much commitment we would have never gone from just a handful of kids to well over a hundred considering players on the Junior PGA and the Operation 36 programs as well.

Jason, this is a monthly newsletter worthy publication and my hat is also off the the BOD for giving Taylor and Austin the autonomy to develop these programs for Avondales future members. Please do forward this on our behalf to the past and current BOD's.

Regards,

Nadine and Stuart Williams.

As many of you have seen, this past month we hired a company called Flatpaths who came to our course and ran a machine that grinded down the higher, bumpy areas of our cart paths where the tree roots had protruded through the path. This process worked extremely well and our paths are much smoother!! The golf course was also fertilized the first week of June and is now showing great color and growth.

Our new greens mowers have arrived! This was originally scheduled for July 3rd, but there were delays in parts and delivery. We have been diligently adjusting the machines to fit our Avondale standards and we really are excited about the finished product.

We have installed irrigation on the left side of the cart path at #13 green. The area has been seeded and should be much more playable and pleasing over the next few weeks.

Best of luck to all of you and we thank you for your patience and understanding as we strive to make Avondale an outstanding golf experience.

Sincerely,

Steve, Nick and the rest of the Maintenance Team!!

Thank you to all you wonderful Members for coming in and enjoying The Grill. WE would like to thank all of you by inviting you all to our Member Party on August 23rd at 5pm. We will have a band, yard games, food, and libations! Please R.S.V.P. to Megan!

Well, summer has arrived with gusto and July has provided us with some fabulous golf. We had a great day of play on July 4th with players dressed in red, white and blue as well as carts decorated for the celebration. Dan even gave each participant a couple of patriotic Callaway golf balls. There was great participation including a good number of guests. Suki DaSilva walked away with 1st place in the flag tournament, but many players got to share in the winnings, including our guests.

A big "Thank You!" to Barb Hankins for doing such a great job of getting results of our days play out to everyone through email. There are way too many names to include them in the newsletter.....

July 11th and 18th were regular play days. Our new system of check in and all-in participation seems to be working well with much better payouts on the KPs and 50/50s.

July 25th was the final round of the Avondale Cup and I'm pleased to announce that the overall winner was Laura Wilkinson (WHAT?????) with a net score of 133. I know, really hard to believe! That should be encouraging to everyone that anything can happen! We had wonderful participation — great job everyone!!!

August has a lot in store, so here's a quick reminder:

- ◆ 8th is an 8:00 am shotgun as there is a NIBCA tournament scheduled at 1. We'll be having lunch at Linda Isaacson's home. \$10 to her ASAP would be great.
- ◆ 15th is our cancer/memorial tournament which was rescheduled from the 1st. We have decided to donate the money raised to Lemons of Love, which is a local charity that helps those going through chemotherapy.
- ◆ 22nd is the first round of the Club Championship, 24th (Sat) is the second round, 29th is the final round.

August 12th and 13th are NRGAs play at Prairie Falls and Cd'A public respectively. GO TEAM!!!

And don't forget the Fall Classic is right around the corner so get your registration sheets in and remind any potential sponsors that we'd love to have them represented on the course!

See you all on the course!

Laura Wilkinson
