All players must have an established handicap. We are adhering firmly to this requirement. We require all golfers to play to a USGA 18 hole handicap (green tees) of 42 or less (9 Hole Handicap of 21 or less). League players are required to have a handicap through Avondale. Each year you must renew your GHIN handicap. You need only one Avondale handicap to play in all of the leagues at Avondale. If you have a GHIN membership through another club you are still required to maintain your handicap at Avondale and pay the fee. You may be eligible for a partial refund from the Washington State Golf Association for having multiple club GHIN memberships.

GREEN TEES – Play will be from the green tee markers. Handicaps are adjusted to the green tees. USGA maximum from Avondale Green Tees as rated is **21 for 9 holes.**

League night play is limited to 4 players per team. You may have additional players on your team but only 4 players may play on any given league night. All players in league are required to be paid team members (including any substitute players).

No make-up games. If your team does not play on Tuesday night, you forfeit points for play that night.

Shotgun start is at 5:30. Please do not begin play early. If you are not at your starting hole at the shotgun you slow play for the entire field on your side of the course.
