**NOTES FROM THE FAIRWAYS
TIM MACK**

As I write this the golf course is very squishy, we received 1.3 inches of rain in 24 hours. Other than a little wet the golf course is doing great.

The new greens are very healthy and are starting to roll closer to the other greens. Currently they are about 10% slower than the old greens. By the time you get this newsletter they should be rolling the same.

New 9 blue tee will be open by the time you get this newsletter. It should be a challenging shot. When we have the time and money we will make a pull off for carts. The yardage to the fairway bunker is 242 and it is 426 to the green.

The geese once again have become very persistent and we are doing everything we can to keep them off the course.

Some new trees will be planted beside number 5 tee to block the view into the logging area.

Please remember to fill your divots and repair your ball marks.

Maverick and I will see you on the course.

**PORTER'S PUTTS -
DAN PORTER**

Our weather forecast looks great and we have lots of activity this month. The men's and women's night leagues are enjoying weekly golf and dinner specials.

The Sunday couples is increasing and enjoying a variety of play and dinner.

The Avondale Men's Invitational is July 10th thru the 12th. Please get your entry filed. This year's format is Stableford. Sign up soon before the field is filled.

On Monday July 14th the course will be closed to host the Inland Empire Pro-Am. On July 24^h the public will shotgun at 8am so that the CDA Realtors can host their shotgun at 1pm. We are hosting North Idaho Seniors on the 21st and Arrow Electronics on the 25^h. The Men's Club Championship begins on the 26th.

See you at the course.

18 HOLE LADIES - TRACIE MANTIA

We are well into summer golf and looking forward to more great rounds.

Our big June event was the NRGGA a regional 2 day tournament at the Lewiston C C and Clarkston CC. We had a full 20 player team representing Avondale. We played and partied for 2 days, had a great time with some fun loving women and came in 3rd place out of 10 teams.

We have another opportunity to improve our ranking before the traveling trophy is awarded in August. We will have home course advantage as the last round is played at Avondale.

Go team!!

MEN'S CLUB - DARREN TITUS

avondalemensclub@hotmail.com

July is a big month for the Men's Club. We have the Men's Club Championship on July 26th. This year we are having a 2 day stroke play club championship. The field will be put in to flights based off of handicaps. The champion flight is all gross and open to all players. The other flights will all be net.

Don't forget the **Avondale Cup Points** are posted by the GHIN computer.

9 HOLE LADIES - SHARRON SNYDER

We have made it to July with minimal weather interruptions, hopefully we will have sunny days for the rest of the season. July is a busy month for our club. On the 7th we are fielding an eight lady team for the IENG at the Links.

July 15th we have a visitational scheduled and the invitations have been sent out. Mary will have information the response at our meeting on the 1st.

Have a wonderful 4th, celebrate Independence day with a round of golf!

Attention Golfers:

It has long been a policy at Avondale that we do not allow outside alcohol on the course. This is a rule that we have not enforced to date. Because of the new watchful eye by the Idaho Liquor Board, we will be making every effort to be in compliance with this policy. Please do not be upset if you are asked to take your personal stash to your car or have it safely stored in the club house until you are finished golfing.

We have hired an excellent bar cart server, Charity, who comes to us from the CDA Resort Golf Course. She has lots of experience and is ready and willing to make your "liquid" golfing experience a positive one. Prices on the bar cart are the same as they are in the club house. She will also be carrying snacks, sandwiches and sweets for your eating pleasure.

AVONDALE BAR & GRILL.....MALINDA STREET

What a great turn out on Member Appreciation June 7th, a big thanks to Daniel Mills who performed for us to a packed house.

We served 122 Meals, Chef Matt Antonich put out an amazing variety of Tapas, Salads and Desserts.

Also wanted to put a friendly reminder out. Making and canceling reservations are an important part of us being able to serve you better. If you know you're going to have a large party of 10 or more for dinner, making a reservation helps us staff appropriately. Once you've made your reservations, if your plans change; canceling or adjusting your reservation is also greatly appreciated.

Thank you so much!
