

Avondale 18 hole ladies Newsletter

It's time to golf again! Yipeeee!

Hello ladies!

So excited to be out on our beautiful home course again. For those of you who are returning from warmer places, welcome home!

This Newsletter will be shorter than usual as I'm on a road trip to CA for a couple of weeks to a nieces wedding and to spend our anniversary in beautiful Carmel.

As with any new season my hopes are always high that I'll play better golf than I did last year! If you need a lesson like me, our fabulous pros will happily help you out. I talked with Austin and Taylor to see if they would give the 18 hole ladies a discount for lessons from now thru April and they generously agreed to a 20% percent discount off for lessons with either of them! So if your game needs some fine tuning, then take advantage of their kind offer!

Since our opening day is on Cinco de Mayo we will be having a taco bar for lunch with a margarita special. Our shotgun start will be at 9 am. Yipee amigas!

Sorry to report we will be missing a couple of our long time members this season. Colleen Clancey has moved off of the golf course and will be moving closer to her daughter Maryanne. She has been a past President, board member and volunteered for countless other committees for our club.. Also, our past President Annie Whipple is having health issues and unable to play. They will be sorely missed!

It is with great sadness that I tell you Tracy Pershern lost her long time battle with Cancer. She didn't play in the 18 holers but a lot of you know Tracy from the night league. She was a real sweetheart and a kind soul. She was only 52 years old.

Her service was held at Avondale. Thank you to those of you who came. RIP 💔

On a very happy note we will be getting back our Bev Croft for the summer and also Charity Delaney has won her battle with cancer and will be returning to drive the bar cart. Ronda Mitchell and Kathi Henderson will be also playing in the 18 hole ladies this year! It will be so great to see all of their beautiful smiling face again on the course.

Happy golfing,
Cheryl 💖
